Wrap-up	ODOE staff	Determine action steps and announce next meeting	5 min

Oregon Efficiency Standards

- Background on Oregon Standards
- Oregon works with federal level, WA and CA
- Current efforts in Oregon to change standards

Oregon Commercial Code

- February 9th - Construction Industry Energy Board meeting results

Residential Reach Code Update

- A review of most current drafts of the Reach Code
 - Residential Reach Code
 - EV-PV Ready Reach Code

Building Code Division page: <https://www.oregon.gov/bcd/codes-stand/Pages/reach.aspx>

Home Sizing Breakout Group

- Home sizing has been raised as an option for code structure
- Break points for home size
- Potential for sub group to evaluate home size criteria

Future OECSP Meetings

- Desired outcome of future meetings?
- What are the goals yet to achieve?
- Best frequency of panel meetings?

Meeting Wrap-up

- Recording will be available
- Action items identified and distributed
- Next meeting date 3/25
