Advisory Group Icebreaker – 2:15 p.m	<p>The Advisory Group participated in a brief icebreaker activity.</p>
Gloria Espitia – 2:30 p.m	<p>Michael Reyes introduced Gloria Espitia, ODE's new Multilingual and Immigrant Education Leader.</p> <p>Gloria Espitia provided information regarding this new position. This position is housed within the EII team and the Student Investment Account. Her work mainly is to assist students but to also bridge the initiatives across the entire agency that work with multilingual and immigrant students.</p> <p>Q: Michael Reyes asked if there was anything in particular during this legislative session that this team is paying attention to that will impact their work. A: Gloria Espitia responded that anything involved with the multilingual and immigrant populations are crucial to their work.</p> <p>Q: Can we have some clarification about the SIA funds?</p>

	<p>A: The Student Investment Account is part of the larger Student Success Act. About 50% of the funding of the SSA is for the SIA. The goals are to increase student mental and behavioral health and decrease academic disparities for populations of students that have historically been underserved. The big investment of the account is that the work is done and the funds are used through community engagement. It is in the first year of implementation, but in the 22-23 Biennium there will be a full in-depth application for community organizations.</p> <p>Q: Would Gloria Espitia be comfortable sharing more of her background that led her to this work and position?</p> <p>A: Gloria Espitia shared her background and how she came to be passionate about this work.</p>

<p>LatinX Grants Application & Timeline – 3:15 p.m.</p>	<p>Michael Reyes shared that the RFA and application for the upcoming grants are under construction. That RFA and application will not be shared in detail as that would pose an inequitable advantage for some CBO applications. The RFA has not yet been approved by DOJ, but once this happens it will be sent out and posted on the ODE website. There will be two informational webinars, one in English and one in Spanish. Once applications have been submitted they will be reviewed by a team from across state agencies by criteria developed in partnership with this advisory group.</p> <p>This advisory will review the grant rules for the established criteria for allowance to prioritize communities and projects where funds can have the most impact on building capacity for long-term programs.</p> <p>The advisory group split into breakout rooms to further discuss the grant rules.</p>

<p>Group Charter & Chair Roles - 4:10 p.m.</p>	<p>Michael Reyes reminded that the group charter establishes the decision-making authority of the group, guidelines for membership and responsibilities, and various other areas.</p> <p>An important aspect of the charter is in how it aligns with the charters of the other equity initiative advisory groups within ODE.</p>

	<p>Michael Reyes shared that it is intended for a chair and vice chair appointed in this group. These positions would assist OEDI staff in preparing agendas for future meetings. A nomination form will be sent during the summer for voting.</p> <p>Latino/a/x & Indigenous Student Success Plan Advisory Group Draft Charter: https://drive.google.com/file/d/1z2Llvbf7PH96hi-gXRGpu_LmmrV8k5MD/view?usp=sharing</p> <p>Latino/a/x & Indigenous Student Success Plan Grant Program Rules: https://drive.google.com/file/d/13l9P-uTqSG_7mVP3n90KcfmCSK9OwvM/view?usp=sharing</p>
